Labor Saving Floor Care Solutions

Duala

These cleaning & shining pads achieve high gloss without high-speed burnishing. Use daily at low speed. Clean and shine with just one pad vs. two, and reduce labor cost.

Ruff Pad

These turf pads are excellent for soil removal from LVT, tile, grout lines and uneven surfaces. Helps remove severely embedded soil.

Melamine

Deep cleaning without removing the floor finish. Excellent solution for sheet vinyls, shallow grout lines, LVT and rubber floors.

Diamond Edge

The leading solution for polishing and restoring concrete, natural stone and terrazzo.

TrapMaster

These disposable dusting pads hold more soil, last longer and produces less waste than traditional dust sheets. Two sided application.
